## About Old Corkscrew

Old Corkscrew is a spectacular Jack Nicklaus Signature design, created with Jack's personal oversight in every detail of its making. This remarkable course is a pure golf experience with no surrounding residential development. Your only neighbors are the roseate spoonbills, egrets and herons that wade along the lake shores and the verdant green of nearby farmland.

As you might suspect of a golf course this spectacular, it has quickly been recognized as one of the nation's finest. The National Golf Course Owners Association named it the 2008 Florida Golf Course of the year, Golf Digest magazine listed it as one of America's Best New Courses of 2007 and Golf magazine listed it as one of the Best Courses Near You.
