Why Choose Saint Francis Xavier Catholic School?

For more than 80 years, we have provided a Catholic education you can believe in. Our learning environment connects Catholic beliefs and values with everyday life. Qualified and deeply dedicated teachers and staff provide a family-like atmosphere where students feel safe and cared about while being challenged to do their very best to succeed.

Our Falcon Academy challenges accelerated and gifted students with project-based learning strategies, problem-solving and an increase in rigor and pace to meet the unique needs of our students.

Many of our students choose to continue their Catholic education into high school and St. Francis Xavier students receive preferential admission into Bishop Verot Catholic High School.

St. Francis Xavier Catholic School students consistently outperform their competitors in yearly standardized testing.
